

CANADIAN COIN EXCHANGE

RECYCLE YOUR COMMON CANADIAN COINS FAST & EASY

MESSAGE FROM THE OWNER:

September 06, 2022

To all our customers past, present, and future:

Please be advised that our coin counting / recycling room will be closed from **09/17/2022 to 09/27/2022.**

We pride ourselves on the short turn-a-round from receipt of your deposit to refund check processing.

We are closing for a few days to complete some personal business. We will restart on September 27th with extra hands to speed through any backlog.

All deposits received during our shutdown period will be held at the local mail facility per our request, however for added safety, we request that you hold shipment during this time.

We thank you for using the Canadian Coin Exchange for your Canadian recycling and look forward to our continued partnership.

If you have any questions or concerns, please let us know.

James N. Pinto
